

HYDROGEN FOR THE FUTURE OF THE ALPS

INITIATIVES CONTRIBUTING TO THE DEVELOPMENT OF HYDROGEN ECOSYSTEMS

AGENDA

09:00 – 09:30 Registration

09:30 – 09:40 Institutional Greetings

Maurizio Gianordoli, Vice-Presidente Fondazione Bruno Kessler

09:40 – 09:50 AMETHyST project

Etienne Vienot, AURA-EE and AMETHyST Project Coordinator

09:50 – 10:05 Maps of Projects and Launch of the SkHyline Platform

Eleonora Cordioli, Fondazione Bruno Kessler and AMETHyST WP1 Leader

Session 1 Interregional Exchange Programme: H2 Insights by Local and European Experts

10:05 – 10:20 Mapping of Strategies and Policies: H2 in the Alpine Space

Benjamin Auer, Casa Clima

COFFEE BREAK, FOYER

10:45 – 11:40 Panel #1 [ITA] Hydrogen in Trentino: An Overview by Policy Makers, Research Institutions and Industries

Moderator: Mauro Casotto, Trentino Sviluppo

- Sara Verones, Autonomous Province of Trento
- Matteo Testi, Fondazione Bruno Kessler
- Gianluca Gamba, UFI HYDROGEN
- Luca Mion, HydroAlp – BM Group
- Claudio Dalrè, Novareti – Dolomiti Energia
- Alfredo Maglione, Confindustria Trento

11:40 – 12:20 Panel #2 [ENG] – Policies and Incentives: Development of Strategies and Projects on a National and European Level

Moderator: Silvia Buzzetti, DG Regio - European Commission

- *Magdalena Lindl, Hydrogen Partnership Austria*
- *Nina Meglic, Chamber of Commerce and Industry of Štajerska*
- *Celine Quester, Auvergne Rhône-Alpes Region*
- *Hubert Landinger, LBST Ludwig-Bölkow-Systemtechnik GmbH*

LUNCH BREAK, EIT SPACE

**Session 2 Current Status, Challenges and Future Trends of the Alpine H2 Economy:
Contribution of Projects to the EU 2030 Strategy**

13:30 – 14:20 Presentations of Large Projects

Introduction: Silvia Buzzetti, DG Regio - European Commission

- *IMAGHYNE - Investment to Maximise the Ambition for Green Hydrogen IN Europe
Celine Quester, Auvergne Rhône-Alpes Region*
- *NAHV – North Adriatic Hydrogen Valley
Rodolfo Taccani, University of Trieste*
- *HyWEST – Regional Green Hydrogen Economy
Nikolaus Fleischhacker, Green Energy Center*
- *H2MA - Green Hydrogen Mobility for Alpine Region Transportation
Matevž Šilc, Kssena*

14:20 – 14:30 [ENG] H2 Implementation Scenarios in Alpine Communities

Domenico Borello, Sapienza University of Rome

14:30 – 15:00 Panel #3.1 [ITA] Challenges and Possible Solutions throughout the Hydrogen Value Chain: focus on skills

Moderator: Sara Verones, Autonomous Province of Trento

- *Rodolfo Taccani, University of Trieste*
- *Silvia Di Rosa, Presidente Ordine degli Ingegneri della Provincia di Trento*
- *Alessandro Prada, University of Trento / Bolzano*
- *Marica Massaro, Gruppo Dolomiti Energia*

COFFEE BREAK, FOYER

15:30 – 16:00 Panel #3.2 [ITA] Challenges and Possible Solutions throughout the Hydrogen Value Chain: focus on safety

Moderator: Matteo Testi, Fondazione Bruno Kessler

- *Giuseppe Signoretta, Bureau Veritas Italia*
- *Claudio Cavaliere, Servizio antincendi e protezione civile – Provincia Autonoma di Trento*
- *Bolzoni Fabio Maria, Politecnico di Milano*

16:00 – 16:30 Panel #3.3 [ENG] Challenges and possible solutions throughout the Hydrogen Value Chain: focus on funding and investments

Moderator: Marco Tomasi, Fondazione Bruno Kessler

- *Nina Meglic, Chamber of Commerce and Industry of Štajerska*
- *Nikolaus Fleischhacker, Green Energy Center*
- *Massimo Bertoldi, SolydEra SpA*

16:30 – 17:00 Keynote speech

Pere Margalef, Director of Decarbonization Technologies at Snam Spa

17:00 Final remarks and Aperitif
